## HECTOR'S JOURNEY

**Meet Hector — lovingly nicknamed Floppy — a powerful example of how your compassion can change a life.**

When our team rescued Hector from the streets of Romania, he was severely underweight, scared, and shut down. He spent his first days in our care curled tightly in the corner of his kennel, unsure of the world and the people around him. With time, patience, and care, Hector began to trust again.

That trust led him to a new beginning — a forever home in Banbury, Oxfordshire, where he's now thriving.

“At first, Hector was so timid and afraid — he just sat in his cage. Little by little, he realised the goodness in us. Now, he loves long walks in the fields and sticking his head out of the car window on road trips. Thank you, ROLDA, for rescuing this kind man and setting him in front of our door. We know we'll welcome another ROLDA dog in the future.”

— Kerry and Nick, Hector's Forever Family

Hector's transformation was only possible thanks to supporters like you. And by leaving a gift in your Will to ROLDA UK, you can help ensure many more stories like his continue — long into the future.

## HONOURING LOVED ONES AND LEAVING A LASTING LEGACY

At ROLDA UK, we realise that remembering someone dear to you is a personal and meaningful experience. That is why we are so happy to have partnered up with MuchLoved ([www.muchloved.com](http://www.muchloved.com)), a unique online memorial site where you can create your own special place to celebrate and remember the lives of the people who were closest to you. You can light a virtual candle, send treasured memories, or fundraise in their memory to fund rescue and care for vulnerable animals, MuchLoved is a beautiful way to keep their love alive.

We also believe that planning is one of the most considerate things you can do for your loved ones and the charities you care about. Partnering up with our friends at Bequeathed <https://www.bequeathed.org/roldauk>, we can offer our supporters a free, simple, and uncomplicated Will-writing service.
